

## VOLUNTEER SPOTLIGHT

November 2009

### Sollers Point Technical and Dundalk High Schools

A special thanks to all of the corporate sponsors and our Team Dundalk volunteers at the Dundalk Family Fall Festival!

This year's Dundalk Family Fall Festival was again a success because of support from generous businesses in Dundalk and because of our volunteers. Volunteers helped to stuff many, many scarecrows, registered children for the Children's Costume Contest, set-up and broke-down temporary recycling bins, and much more! We could not have done it without their help!

Thanks especially to Sollers Point Technical School that participated by bringing several student volunteers. And thanks to Sollers Point teacher, JoAnn Driscoll, for working the registration table during the festival as well as serving as a judge. We are also grateful for support from teachers and students from Dundalk High School.

And, for leading the Trick-or-Treat parade, a special thank you to the Eastpoint Chick-fil-A mascot cow!
