

Volunteer Spotlight

Mr. Jim Bartucca, Owner/Manager of FastSigns on North Point Boulevard is new to Dundalk. He opened his store here in 2008. But his enthusiasm and commitment to improving the Dundalk community has been clearly evident since his arrival. We are grateful for Jim's partnership with the DRC.

Even though his own storefront is far from our Historic Main Street, Jim has worked on Main Street Committees, offering what help he can from his business. In addition, Jim serves the Dundalk Chamber of Commerce as Vice President and as

Chairman of their Membership Committee. Jim has made himself an important part of the Dundalk community and a positive example for Dundalk business owners.
