Dundalk Renaissance's Response to COVID 19

Dundalk, MD— Following the lead of Governor Hogan and Baltimore County officials, Dundalk Renaissance is limiting our face-to-face interactions by canceling all events and in-person meeting until further notice. We will continue to evaluate the situation as it unfolds taking into consideration precedent set forth by Baltimore County Schools, CCBC, and the state of Maryland. We are committed to serving the community of Dundalk and are working to ensure the continuation of all grant programs and services as best we can during these exceptional times.

All Events and Meetings Canceled

Dundalk Renaissance is closing the physical office until further notice. Staff will be working remotely. We hope to resume programming soon. We serve many older adults who are particularly vulnerable to COVID 19. We do not want to endanger this population or individuals with underlying health conditions, like heart disease, diabetes, cancer, asthma, etc. As a result, we are limiting face-to-face contact as much as possible.

We recommend emailing for a more immediate response to queries.

Milestone Awards Dinner Postponed Until July 23

In an abundance of caution, we have postponed our Milestone Awards Dinner. The Dinner will take place at Sparrows Point Country Club July 23 at 6pm. We look forward to honoring the individuals and organizations who are doing amazing things for Dundalk this summer.
